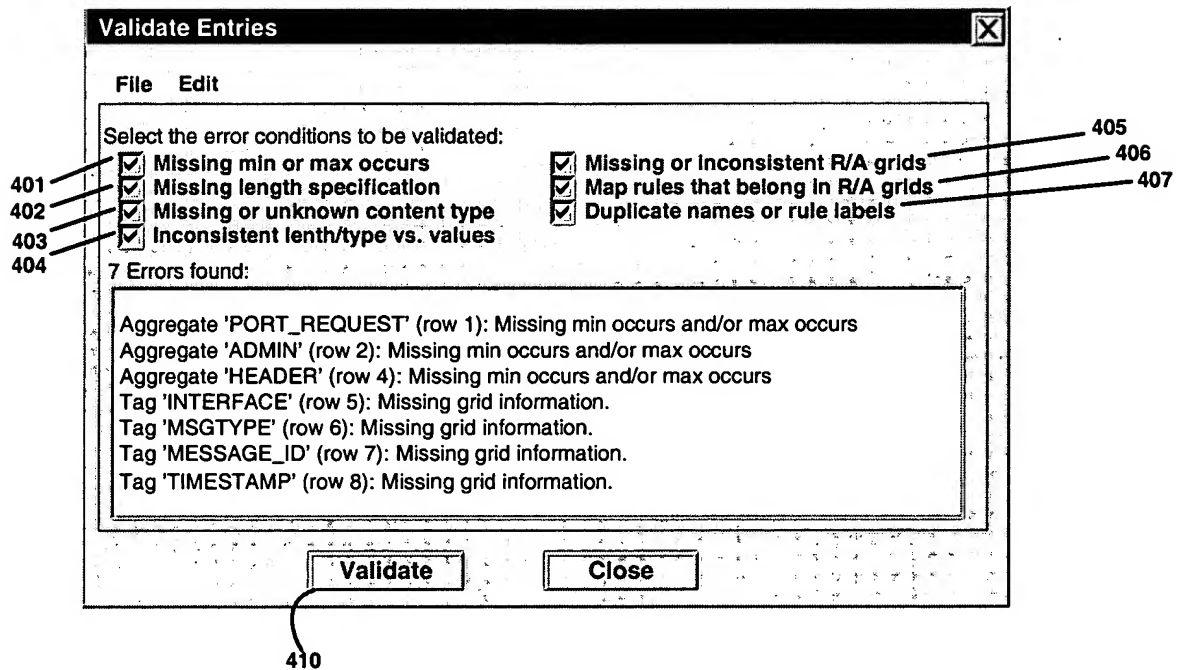

FIG. 4

The image shows a software dialog box titled "Tag 'CHC'" with a close button in the top right corner. Below the title bar is an "Edit" button. The dialog features a series of tabs: "Values", "Formats", "Length/Type", "Validations", "Status", "Input", "Mappings", "Name", and "R/A Grid". The "Name" tab is currently selected. Inside this tab, there are several input fields and sections: a label "Specify the tag name (required):" followed by a text box containing "CHC"; a label "XML Name" followed by an empty text box; a label "Description (optional):" followed by a larger empty text box; and a "Notes:" section with a large text area and two small up/down arrow buttons. At the bottom of the dialog are three buttons: "OK", "Cancel", and "Apply".
